THE PRESIDENT'S CE

THIS year, 1935, marks the beginning of the second century in the life of the Tulane University of Louisiana. This University had its beginnings in a small but significant way when in January, 1835, a few students were assembled for the first lecture of the first medical course to be delivered in New Orleans.

The institution, first called the Medical College of Louisiana, has developed through successive periods of growth into the present completely organized and widely recognized Tulane University of Louisiana.

Through the century, Tulane has added one department after another as integral parts of a complete university organization. She has overcome almost insuperable obstacles of various kinds to reach a position of the highest rank and prestige in the field of higher education. Alumni and students should take a deep pride in their connection with an institution of such honorable traditions and worthy achievements.

It is hoped that the living alumni of all the past years and the parents of all students now enrolled in the University will assemble during the Commencement Week ending June 12th to celebrate the Centennial Anniversary of Tulane.

NTENNIAL MESSAGE

The ADMINISTRATION

The School of Medicine

CHARLES CASSEDY BASS, M.D., D.Sc., F.A.C.P.
Dean

The School of Medicine occupies an enviable place among the leading medical schools of the country. Students and doctors from every state in the Union and from many foreign countries come to Tulane for medical training.

The Hutchinson Memorial Clinic in the New Hutchinson Memorial Building provides for the most practical training and experience in actual care of patients. Each senior student has what corresponds to a well equipped private office where, under the supervision of an instructor, he examines and treats his patients as he should do later in private practice.

The College of Law

RUFUS CARROLLTON HARRIS, A B., LL.B., Juris.D., LL.D.
Dean

The Tulane College of Law was established in 1847 as the Law Department of the University of Louisiana.

The curriculum of the College has been arranged to provide for the special training of those who intend to practice in Louisiana, and at the same time to afford training to those who may wish to practice in any of the other states. The College owns one of the most complete law libraries in the Southern states. It is a member of the Association of American Law Schools.

It publishes the *Tulane Law Review*, which affords a medium for the expression of the best thought available on Comparative Jurisprudence.

College of Law Faculty

The ADMINISTRATION

The College of Commerce

MORTON ARNOLD ALDRICH, A.B., Ph.D.
Dean

The purpose of this college has been, since its establishment in 1914, to offer substantial professional training preparatory to a business career. The instruction offered is planned for students sufficiently able and mature to do work of university grade, and no student is received unless prepared to do work of this character. It is essential, also, to the permanent success of the college that its students approach their work in an earnest professional spirit.

In order to make the business courses available for business men and women, classes are also held at night from 8 to 9:45 o'clock. Each course meets one night a week.

The College of Engineering

DOUGLAS SMITH ANDERSON, A.B., M.A., D.Sc.
Dean

The College of Engineering offers broad courses of professional training in the fundamental principles of the different branches of Engineering and Architecture, leading to the degrees of Bachelor of Engineering and Bachelor of Architecture, respectively.

The courses offered are Mechanical and Electrical Engineering, Civil Engineering, Chemical Engineering, and Architecture.

Within the past several years, extensive additions have been made to the equipment of the engineering laboratories, to the extent that they offer excellent facilities for the regular undergraduate instruction, as well as opportunities for the study and investigation of special problems.

For the study of Architecture, New Orleans offers exceptional advantages.

The ADMINISTRATION

Newcomb College

PIERCE BUTLER, A.B., M.A., Ph.D.
Dean

Mrs. Josephine Louise Newcomb founded Newcomb College as a memorial to her daughter, Harriott Sophie Newcomb. In fulfillment of Mrs. Newcomb's wish and her profound interest in the people of New Orleans, the College endeavors to equip young women for effective and intelligent service to society. A college of liberal arts offering sound instruction in cultural and scientific fields is the center of Newcomb. For students suited by temperament or by special aptitude to develop a sound culture through Art or Music, the College offers special four-year courses in those subjects, leading to appropriate degrees.

College of Arts and Sciences

EDWARD A. BECHTEL, Ph.D.
Dean

The College of Arts and Sciences is one of the oldest colleges of Tulane University. It offers courses leading to the degrees of Bachelor of Arts, Bachelor of Science, and Bachelor of Education in Physical Education.

The curriculum is planned to give a general education and, at the same time, affords opportunity for specialization in some one group of studies. Special courses offered prepare for the study of Medicine and of Law. Among the elective courses is included the Department of Journalism. The course in Physical Education affords preparation for athletic coaches and directors, together with training in academic subjects.

The ADMINISTRATION

Graduate School of Medicine

HIRAM WATKINS KOSTMAYER, A.B., M.D., F.A.C.S.
Dean

The Graduate School of Medicine, a department of the College of Medicine of the Tulane University, provides post-graduate instruction to the medical profession. The courses offered are arranged to afford work from October to June of each year, and during that time there may be found medical graduates from all parts of the country who come to avail themselves of the opportunities presented in order to keep abreast with the recent advances in medicine and surgery, or to specialize in the major branches.

Instruction during the forenoon is carried on in the wards and clinics of the Charity Hospital, Touro Infirmary, and the Eye, Ear, Nose, and Throat Hospital, and the afternoon and evenings comprise didactic lectures and work in the clinical laboratory at the Hutchinson Memorial Building.

The Graduate School

JOHN MacLAREN McBRYDE, Ph.D., Litt.D.
Dean

The Graduate School offers courses leading to advanced degrees in liberal arts, the sciences, engineering, and in special branches of the medical sciences. For those holding the degrees of Bachelor of Science and Doctor of Medicine, opportunity is afforded for clinical work in the hospitals of the city under the guidance of well-known specialists. Thus the Graduate School presents carefully planned courses for teachers desiring to gain a broader and deeper knowledge of their chosen fields and for graduates in engineering and medicine wishing to specialize in particular lines of work.

The ADMINISTRATION

Department of Middle American Research

FRANS BLOM, Ph.B., A.M.
Director

The Department of Middle American Research was founded in 1924 to conduct advanced research into the history, archæology, botany, products and natural resources of Mexico, the Central American republics and the West Indies, as well as to gather and disseminate information about these countries. Five expeditions have been sent into the field. Tulane was responsible for the Maya Temple at the Chicago World's Fair of 1933-1934.

The library of the department ranks among the nation's leading research libraries, containing thousands of rare items.

Courses For Teachers

JAMES ADAIR LYON, A.M., D.Sc.
Chairman

For many years, Tulane University has operated a number of courses to meet the need of those whose hours of employment will not permit attendance upon regular classes. The classes are scheduled in the afternoon hours and on Saturdays, thus making it possible for teachers, especially if they so desire, to add to their equipment in many subjects.

These courses are of full college grade, conducted by regular members of the faculty.

The School of Social Work

ELIZABETH WISNER, Ph.D.
Director

The School of Social Work is a graduate school offering a professional curriculum in social work. The leading social agencies in New Orleans cooperate in furnishing field work facilities for its students. As the only member of the American Association of Schools of Social Work in this section of the South, the Tulane University School of Social Work attracts graduates from many of the leading universities in this area. Students from the School now occupy important positions in public and private agencies throughout many states. The school grants a Master's Degree in Social Work.

THE BRAIN

John B. McDaniel, Jr.
President of the Student Council

Membership of the Tulane University Student Council is composed of the presidents of the various colleges of the University—Medicine, Law, Commerce, Engineering, Arts and Sciences, and Newcomb. Individual members are elected by popular vote in each student body, and council officials are chosen by the members themselves.

Unique in selection and powers, the Student Council holds a place apart, if not an envied position, among institutions of higher learning in this country. At the 10th annual congress of the National Student Federation of America, held in Boston during Christmas week, Tulane's system of student government was lauded as the most democratic and liberal of those colleges represented.

Rigid control over officially recognized student activities, authority to acknowledge only those organizations which conform to stated requirements, and budgetary and financial powers rarely enjoyed by student governments are but evidence of the council's characteristically exceptional authority.

The Tulane Student Council was organized in March, 1915, at the installation of self-government at the University. For twenty years, from Commencement to Commencement, a score of Student Councils have functioned as supreme legislative, executive and judicial bodies in every aspect of undergraduate activity.

Important and indispensable in University affairs is the office of Student Activities. Created a decade ago, this office has in recent years become the liaison between the four component parts of Tulane University—the student body, the administration, the faculty, and the alumni.

Calvert G. de Coligny, Tulane '32, is serving his third year as Graduate Manager of Student Activities. Duties of this office require the incumbent to act as General Student Body Secretary, keeping records of the Student Council, including records of all receipts and disbursements of student activity fees; serving in an advisory capacity to the Student Council in matters where precedent may carry weight; and supervising and coordinating the management of student activities to secure closer cooperation in their respective works.

Necessarily, the Graduate Manager of Student Activties must cooperate as closely as possible with the Student Council. Executive orders of the undergraduate governing body must be administered by the Graduate manager in order to secure coordination among the various organizations and activities of the University.

Tulane was host during the spring of 1935 to representatives of a vast number of universities and colleges of the Southland. The Southern Federation of College Students, together with the

J. H. Randolph Feltus, who graduates from the College of Law this year, will succeed Calvert G. de Coligny as graduate manager of student activities.

THE TULANE ALUMNI ASSOCIATION

The Alumni are the life blood of the University. It is the endeavor of this Association to further all University interests and to maintain a contact between the Alumni and their Alma Mater.

Aside from the New Orleans organization, the Alumni Clubs are formed to give Tulane concentrated strength in various sections of the country, and through the prestige of this membership, influence prospective students favorably toward Tulane.

Membership in the Association is open to all graduates and ex-students of the University. All loyal Tulanians are urged to become members of the Association either through the Annual or Life Membership plan.

The Bequest Insurance Plan will be presented to the graduating classes for their approval. The benefits to be derived by you through your participation therein will be explained in due course, by the representative of this Association.

T. U. R. K. CLUB

In line with the Alumni Association, the Turk Club does its part in boosting the University.

The Tulane University Rooters Klub (T. U. R. K.) was founded at Tulane in 1932 for the purpose of promoting school spirit through the use of card displays, at football games, helping with pep meetings and the selection of cheer leaders, and, finally, for the purpose of furthering better intercollegiate understanding and relationship by meeting and entertaining visiting athletic teams.

Due to the competent assistance of the cheer leaders, excellent cooperation from the Newcomb and Tulane students, and hard work of the T.U.R.K. members, card displays rivalling those of the University of Southern California were put on at the Georgia, Georgia Tech, and Sewanee football games. Because of the good work done by the T. U. R. K.'s in uniting the students and stimulating their spirit in student activities, the future of the club is extremely bright.

RECOUNTING the achievements and events in the daily lives of the students of the University is the function of the *Tulane Hullabaloo*. For almost fifty years this publication has advanced with the University. It has been the endeavor always to portray the human side of University life. Even more important at present is the fact that in a world of economic insecurity the opinion of the student is sought after. Tulane student thought is thus judged in other quarters through its paper. An interesting, lively, progressive paper indicates at least that there is thought.

THE TULANE JAMBALAYA goes to press for the fortieth time this year. Its year's history is embodied in the pages which you are now turning.

Continue on, and let the pages be worn out from the wear and tear of constant use rather than by the teeth of over-malicious rats.

If we, the staff, can hope for this from only a few of our readers, our efforts will not have been in vain.

On With the

WHEN a dramatic club, now known as the Tulane University Dramatic Guild, was organized in 1922, it filled a long felt vacancy in the activities on the campus. Tulane has no chair in Dramatics and Elocution and the Guild attempts to offset this by giving students a medium for expression along those lines.

Successful presentations of the Guild in recent years have been "The Butter and Egg Man," "The Spider," "The Front Page," and "Journey's End." These plays were produced without the aid of any professional help except that of the director; students built the sets, painted them, worked as stage-hands, and participated as actors. Each presentation met with well-merited praise from those connected with and outside of the University.

During 1934-1935 the Guild planned a very ambitious program and carried it to a successful completion. The season opened on November 23, with a group of three one-act plays, "The Rising of the Moon," a satire by Lady Gregory; "Poor Old Jim," a comedy by William De-Mille, and "Copy," a drama by Kendall Banning. These three plays, directed by Thomas J. Thriffley, Jr., were enthusiastically received. During their production, experiments with scenery and lighting were conducted back-stage.

"The Rising of the Moon" was the story of a fugitive from an opposing political faction. The play centered about a brief episode from his life, telling of his escape from the long arm of the law by playing upon the weakness of a sergeant on the force.

"Poor Old Jim" concerned an habitual drunkard. His wife was driven to desperation by his continual tippling and with the aid of a friendly doctor contrived a unique plan of reform which brought the straying Jim back to the straight and narrow path.

The Climax of the "Front Page"

Play!

"Copy" gave a brief and breath-taking glimpse into the turbulent life of a tabloid newspaper office. Tragedy struck close to the city editor of this "yellow sheet," and the tense activity of the paper on a big story, together with the suspense of the situation, provided thrills until the final curtain.

In keeping with its aims and ideals, the Guild announced at the beginning of the year that it would give a prize of twenty-five dollars to the winner of a one-act play-writing contest among the students. The winning play, selected by a committee composed of Dr. Roger P. McCutcheon, Chairman, Dr. John M. McBryde, and Miss Mildred Tonge, was entitled "An Honorable Rectangle," and was written by Joseph D. Starr, a student in the College of Arts and Sciences. In the early spring of 1935 a three-act play, "Spooks," was produced, together with a one-act play as curtain-raiser.

The Dramatic Guild

The TULANE UNIVERSITY BAND

This year the Tulane University Band has had the most successful season that it has ever had with the largest enrollment in its history.

The Band has played a very prominent part in the activities of the University, as well as outside of it. During the football season the Band traveled by bus to Gainesville, Florida, spurring the team on to victory. It accompanied the football team to the Louisiana State University game in Baton Rouge and also played in the initial Sugar Bowl Classic on New Year's Day.

Among other activities of the Band were the Armistice Day and Community Chest Parades, the Carnival Parades, and the annual concert given in Dixon Hall.

The Band hopes to continue to render its services to the University in particular, and to the community as a whole.

LET US

Let us toast the leaders who have not only contributed much to the year's history, but also to the welfare of their Alma Mater.

We might have called this section "Toasts Buttered and Otherwise," but we do not wish to mention the unbuttered leaders in distasteful fields.

"Randy" Feltus we salute for his genial sense of humor, his personality, and ever-ready Mother wit; J. Byrd McDaniel, who has guided the steps of the Student Council as its executive head; Claude "Little Monk" Simons, our choice for the best all-around athlete at Tulane; Dean Harris, whose insight into student affairs and recent election to the presidency of the Association of American Law Schools has won much admiration by friend, colleague, and student; T. Hale Boggs, *Hullabaloo* editor and leader in debating and forensic circles; Bob Daray, who, as golf captain, splendid student, and earnest worker has aided his Alma Mater in many ways; Marvin "Herr" Harvard, whose personality and charm have won for him a score of friends and also many hearts; "Lindy" Claiborne, attractive daughter of Sophie H., who has gained popularity on both campuses through her genuine good nature; Dr. ten Hoor, a leader in student and faculty discussions as well as a true gentleman and friend of man; "Ken" Cram, whose athletic ability, execu-

SALUTE OUR LEADERS

tive leadership, and sound character have aided in building a greater student body; Nancy Reeves, Newcomb student body prexy and leader in many organizations; "Grim Jim" Van Hook, a true gentleman, sound scholar, and real human being; Lynne Hecht, constantly on top in Newcomb activities and a debater worthy of note; George Tessier, who ended his football career in a blaze of glory and started out in the law school as president of his class; Katherine Colvin, Newcomb senior class prexy and leader of numerous organizations and activities for four years; Julian Bartlett, student body president and former glee club head, who represented Tulane in Boston this year; Roy Williams, Med school head and leader in medical activities; Miss Many, popular Newcomb administratrix beloved by all; Hoyle Carlock, Alpha Omega Alpha, Owl Club prexy, former fraternity head, and the pride of Ardmore; Dr. McBryde, whose good advice and counsel have won for him a place in the heart of every student; Murray Cleveland, former track and basketball captain, president of O. D. K., honor student, and likewise D.D.; Dr. Alton Ochsner, whose record of achievements in the field of medicine speaks for itself; Arlene Z. Martin, secretary par excellence, who keeps Tulane activities "going" with her untiring aid; Walter Dustmann, who has continued the spirit of the Y. M. C. A., spurred his journalism fraternity on to new fields, and has been of excellent service to his Alma Mater. Last, but certainly not least, comes Cornelius J. Everett, Jr., who would not have his picture taken, but who is truly the best student on the Tulane campus.

Tulane's Year IN SPORTS

Tulane, with her respective athletic teams and individuals performing for the most part either very well or very poorly in comparison with her competitors in the conference, passed through a season of vastly contrasting fortunes during the year 1934-35.

Each of the seven major sports, which are recognized as official by the Athletic Council, contributed much to the glory of the Olive and Blue and were the means through which many an outstanding star added his name to the ever-lengthening roll of honor.

FOOTBALL—Selected as the opponent of an unbeaten Temple eleven in the first Sugar Bowl classic by virtue of its having won the Southeastern Conference Championship, the Green Wave came through victorious over the Owls to climax what had been their most successful season in years.

BASKETBALL—Hindered by almost every conceivable obstacle, lack of seasoned material, injuries, working under a comparatively new coach and new system, and with many of its stellar players unable to compete in the opening games because of post-season football, the cage squad suffered one of its poorest years.

TRACK—The cinder team was one of the very few Greenie aggregations that wasn't an extreme but an average squad. In inter-conference competition, the Wave showed up excellently despite its lack of men, and through it two or three were able to achieve outstanding honors.

Genial Tulane athletic director, Dr. Wilbur C. Smith, greets Temple's Pop Warner at the station before the great Sugar Bowl game.

GOLF—The lack of many stars of by-gone years was felt less than it had been in the previous season and the golf team, paced by Bob Daray, came through its year's competition in a very creditable manner.

TENNIS—The tennis team was the other great Tulane representative of the year. Blessed with the tutelage of Emmett Paré and the fine play of Eddie Sutter, Charlie Hume, Kendall Cram, Dick Haspel and others, the racqueteers, after losing and tying in opening matches, walked through the remainder of their schedule without an opposing threat.

BASEBALL—Played as a strictly intra-mural sport, baseball made rapid strides toward regaining some of its lost glory and the annual league was closely followed with the Arts and Sciences school taking chief honors over the representative nine of the Commerce school in a very close race.

BOXING—Tulane's pugilists, with "Bucky" Bryan, Al Justrabo, Mike Maroun, and Howard Rau usually emerging with high individual honors, went through a season of ups and downs, winning only to lose to the same opponent in a return match, to take a unique place in her ring history.

STARTING LINE-UP

Two Masters of Strategy

AND THE

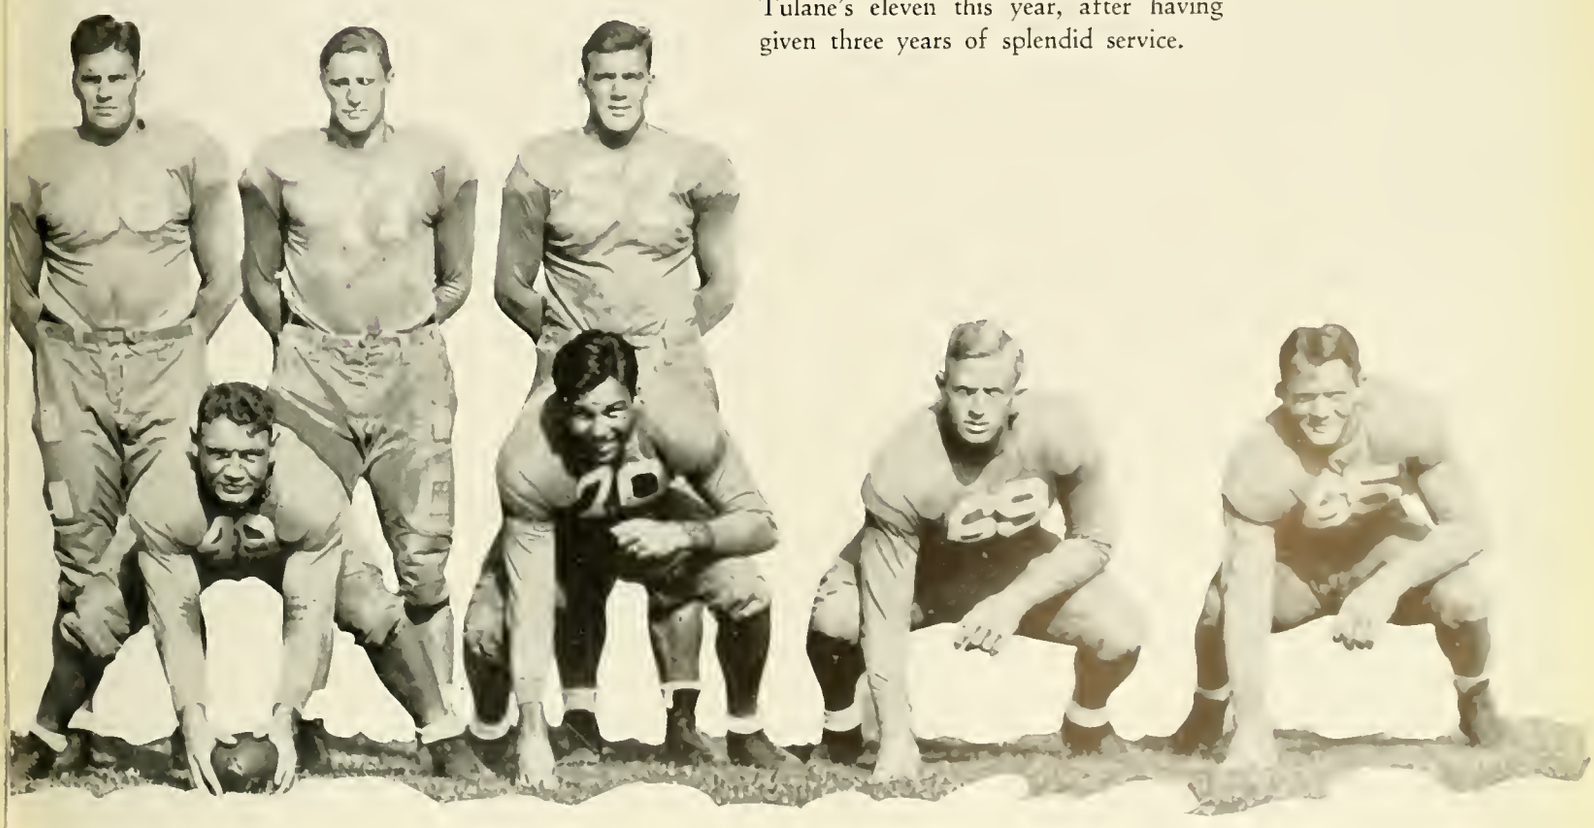

STARTING TEAM

The mighty 1934 Green Wave, under the generalship of Ted Cox, Lester Lautenschlaeger, and a competent coaching staff, achieved one of the greatest records in the history of Tulane football.

Bowing only to the Red Raiders from New York, the Greenie gridders rolled over every Southeastern team they met and capped the climax of the season by defeating the formidable L. S. U. eleven. Even this was not enough, for on New Year's day, the first famous Sugar Bowl classic was won by the Tulane eleven after a sensational victory over the Temple Owls from Pennsylvania.

The Green Wave tied for the Southeastern Conference championship with the Crimson Tide of Alabama and won national fame after trouncing the Temple Owls.

Many great football players will leave Tulane's eleven this year, after having given three years of splendid service.

OF FOOTBALL TEAM

The SEASON

CHARLES A. KYLE

Alternate Captain—End

Charlie's end play, a combination of sterling offensive and defensive work, was an important cog in the Wave's mighty grid machine.

HOWARD L. BRYAN

Captain-Elect—Halfback

Typifying the proverbial "stick o' dynamite," "Bucky" turned in very brilliant but very hard work to add thrills and chills to every game.

BERNARD D. MINTZ

Alternate Captain-Elect—Halfback

The spark that kept the Greenie eleven at top speed whenever it threatened to weaken, "Barney" was consistently a standout performer.

HOMER R. ROBINSON

Center

Undisputed All-Southeastern center, Homer played faultless football all year to raise to three Tulane's consecutive list of great pivot men.

CLAUDE SIMONS, JR.

Halfback

High-point scorer of the conference, mentioned on nearly every All-American, a scorer in every game, "Little Monk" was without a superior.

TULANE, 41—CHATTANOOGA, 0

With two touchdowns in as many minutes standing as an example of their superiority and strength, Tulane's Wavemen marched to an easy victory over an outclassed but scrappy eleven from Chattanooga by a 41-0 score to open a championship season.

Monk Simons, on a jaunt around left end, Mintz on a 44-yard dash a few seconds later, Lodrigues on a line plunge, Thomas twice on end sweeps, and Henderson on a pass from Nichols, were the touchdown getters of the day.

With Captain Joe Loftin, disabled by a broken foot, and other regulars on the bench, Bill Moss, Noel Loftin, Marion Monk, Doug Johnson, and other sophs exhibited excellent defensive and offensive work.

TULANE, 13—AUBURN, 0

Tulane climbed the first rung of the ladder toward the conference title by easing out a 13-0 win over the Auburn Plainsmen after slowly wearing down a stubborn, inspired defense which threatened to hold the Greenies scoreless despite their twelve first-downs.

"Little Monk" Simons was the firebrand that finally burned the Auburn jinx to a well-done cinder. He scored the first touchdown on a 15-yard reverse around left-end, dragging two Plainsmen the last five yards of the way. His pass to Hardy, who made a phenominal catch, was greatly responsible for the second touchdown.

Kyle, Ary, Moss, and Robinson kept the line play well above par while the backs amassed a total of 279 yards—an average of almost 5 yards per play.

Thus the Auburn Tiger met his doom.

Football for 1934

Green, Bulldog flash, trying to evade four Greenie Gridders, is caught short.

GEORGE D. TESSIER
Guard

George's speed and power, although often kept from the line-up because of a bad leg injury, greatly bolstered the Wave's championship line.

ROBERT A. TESSIER
Tackle

His play also suffering little because of a serious injury, Bob's presence gave an added something to the line that made it of the air-tight variety.

JOHN B. McDANIEL, JR.
Quarterback

Smart signal-calling on the part of "Mac" pulled the Wave out of many tough spots from which they turned a sure defeat into a victory.

ROBERT L. SIMON
Guard

Bob was credited with more actual playing time than any other Greenie. Always the "silent power" in the line, he will be sorely missed next year.

BRADLEY C. BROWNSON
Quarterback

Many a Tulane touchdown was the result of "Lefty's" daring but timely quarterbacking which caught more than one opponent flat-footed.

TULANE, 28—FLORIDA, 12

Florida's Alligators, with Billy Chase at the firing end, made a desperate and ever-threatening attempt to curb the onrushing Wave with a barrage of passes, completing 14 for a gain of 222 yards, but the opposing power was too much and the Wave annexed its second conference victory, 28-12.

Mintz, Lodrigues, Brownson, and Simon composed the outstanding backfield of the winners, while on the line Tessier, Simon, Hardy, Kyle, Moss, and Schneidau carried off chief honors.

Tulane's running attack showed indications of peak form as exemplified by "Little Monk" Simon's record for the day, a total of 113 yards gained in 17 plays for an average of almost 7 yards per play.

TULANE, 7—GEORGIA, 6

Emphasized by the continuous stream of injured players who came limping or were carried off the field, Tulane met just about her toughest and roughest opposition of the year in the Georgia Bulldogs, but finally emerged from the contest the victor by a bare 7-6 count.

Constantly and ominously on the alert, Georgia, on a super-miraculous pass, pushed over a score in the last three minutes of play to almost snatch victory from the Greenies and the breath from the delirious thousands in the stands.

Simons, the backfield standout, slid through for 15 yards and added the kick for the Wave's lone seven points while Tessier, Simon, and Robinson all handed in flawless performances on the line.

The Mid-Season Game

TULANE, 20—GEORGIA TECH, 12

Playing a ragged, almost listless game, Tulane met a surprisingly strong opposition in Georgia Tech and was hard put to win out by a 20-12 score.

A weak side reverse, enabling Tech's Martin, Roberts, and Phillips to continually make considerable gains, was the baffling element of the contest, and despite the excellent individual work of Captain Loftin, Memtsas, Pace, Evans, and Simon, it nearly nipped Tulane's growing list of conference victories.

"Sundial" Martin had the best day in ground-gaining, averaging 7 yards in 12 attempts. Brownson, on an intercepted pass, Simons, on a 44-yard off-tackle play, and Kyle, on a pass from Thomas, were the Wave's touchdown scorers.

TULANE, 15—OLE MISS, 0

Tulane kept most of her potential strength well under cover as she downed a hard-fighting Ole Miss eleven by sheer power to win 15-0 and to complete the sixth game on her schedule without having suffered a loss or tie.

With Ole Miss, bolstered by the play of Poole, Hapes, and Nelson, putting up an unexpectedly strong defense, the game was actually a rather drab one enlivened only once—that once being "Bucky" Bryan's 50-yard dash in the third quarter which paved the way for the first Wave touchdown.

Loftin drove off right tackle to make the final tally while the safety was earned by Memtsas who downed Peters behind his goal after an Ole Miss fumble.

Bucky intercepts pass intended for Yellow Jacket Gridder.

RICHARD N. HARDY
End

Dick's pass-snagging, reminiscent of "Lefty" Haynes, added many points to the Greenie totals, and his defense work often converted them to victories.

JAMES W. HENDERSON
Halfback

"Rabbit" showed clearly by his frequent sensational runs that he is scheduled for a first-string berth on near-future Green Waves.

LOUIS O. THAMES
Halfback

Smooth, shifty, and speedy "Little Cocky" should be one of the principals in a running backfield that promises to be unsurpassed in the country.

ROY D. ARY
Tackle

"Chief" should reach the climax of his career next year, having steadily improved during the past season to one of the team's best tackles.

WILLIAM U. MOSS, JR.
Tackle

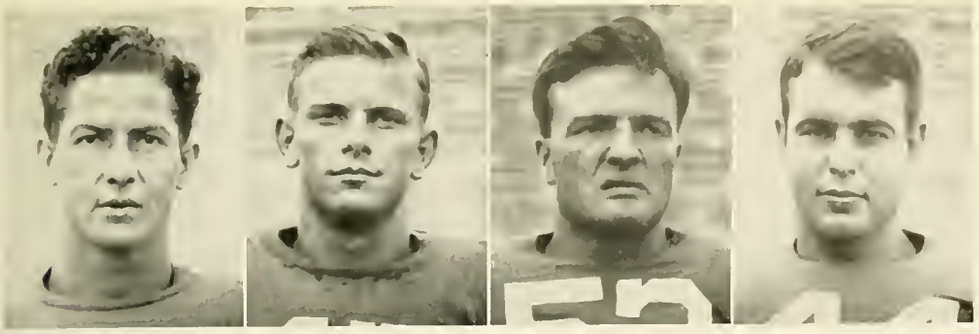

If Bill maintains the dizzy pace he set during his sophomore year, he is scheduled not only for a regular berth but for national prominence.

FARREL B. THOMAS
Halfback

Relying on his great speed, "Tuffy" consistently carried the pigskin for great gains on end sweeps to be a vital element in many Wave triumphs.

THOMAS

PREISSER JOHNSON EVANS SCHNEIDAU

MEMTSAS

FREDERICK C. PREISSER
End

A valuable reserve this year, Fred can be expected, with increased experience, size, and weight, to be a first-stringer on the 1935 Wave.

E. DOUGLAS JOHNSON
Halfback

Dougie is a natural triple-threat half whose passing ability and running strength will be in constant demand during his remaining playing years.

BERNARD P. EVANS
Tackle

Having shown unusual adaptness at tackle, "Bernie" is being looked to as another excellent line mainstay for next year.

HUGHES SCHNEIDAU
End

Although a sophomore, "Doc" showed up better than the veterans in several games and will see plenty of action in games to come.

HAROLD G. MEMTSAS
End

A steady, fighting, defensive player, "Horse's" terminal was the scene of very few opponent gains, for he constantly threw enemy backs for losses.

CHARLES G. SMITHER
Guard

With two years of experience in varsity competition behind him, Charlie should be one of the leading candidates for the guard position.

Tulane Plays Colgate

TULANE, 6—COLGATE, 20

Bewildered by one of the smoothest and most deceptive pass offensives in the country, Tulane's Green Wave saw all hopes for a perfect season fade into dismal murk as Colgate's Red Raiders conquered them 20-6 in one of the major intersectional battles of the season. A crowd of 50,000 occupied the Yankee Stadium to witness the contest.

Colgate opened her vaunted attack soon after recovering a Greenie fumble in the opening minutes of play. Then, on a sustained drive with Kuk, Kern, and Irwin passing and running for consistent gains, despite inspired defensive work by Robinson, Kyle, and Ary, the Raiders chalked up their first touchdown. Lyon, replacing Irwin, converted.

Taking their cue from the Raiders, Tulane opened up with a surprise pass from Simons to Kyle just after the kickoff which immediately placed the ball only 28 yards from a touchdown. Then, with Simons, Loftin and Mintz tearing the line for repeated gains, the score was soon brought up to 7-6 but remained so when the conversion placement was fumbled.

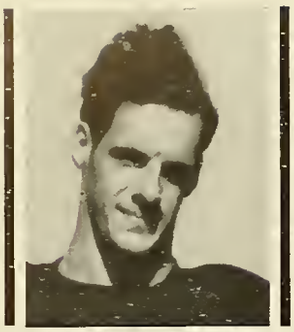

More Greenie fumbles plus a renewal of the dazzling lateral pass attack, enabled the Raiders to soon again slip into the lead, this time by two touchdowns—the final outcome of the game.

"Barney" Mintz made one 46-yard dash around end to take long-run honors of the day, although Simons and Kuk both gained more consistently. Colgate made 12 first-downs to 11 for Tulane.

Some of the November Games

TULANE, 20—KENTUCKY, 7

Their offense and defense seemingly none the worse for their defeat of the previous week, the Greenies clicked in perfect unison to run up their sixth consecutive conference win by downing Kentucky's fighting Colonels, 20-7.

Although the Wave, incurred no penalties throughout the contest, the game was a very hotly contested one, with "Barney" Mintz, a sixty-minute, two-touchdown man, "Little Monk" Simons, another scorer, Charley Kyle, Bob Simon, Bill Ary, and Bernie Evans in the spotlight for Tulane, while sophomore Bert Johnson gathered major honors for the losers.

The Greenies amassed a total of 207 yards from scrimmage and lost only 2, while Kentucky was held to 87 yards in 41 trys to average about 2 yards. "Little Monk" Simons and "Barney" Mintz shared running laurels, with the former hitting a pace of 7 yards per try in 16 trys, and Mintz, 4 yards per try in eleven.

TULANE, 32—SEWANEE, 0

Twelve Greenies played their last home game as Tulane, scoring in every quarter, downed a game Sewanee eleven, 32-0, to keep their conference record unblemished.

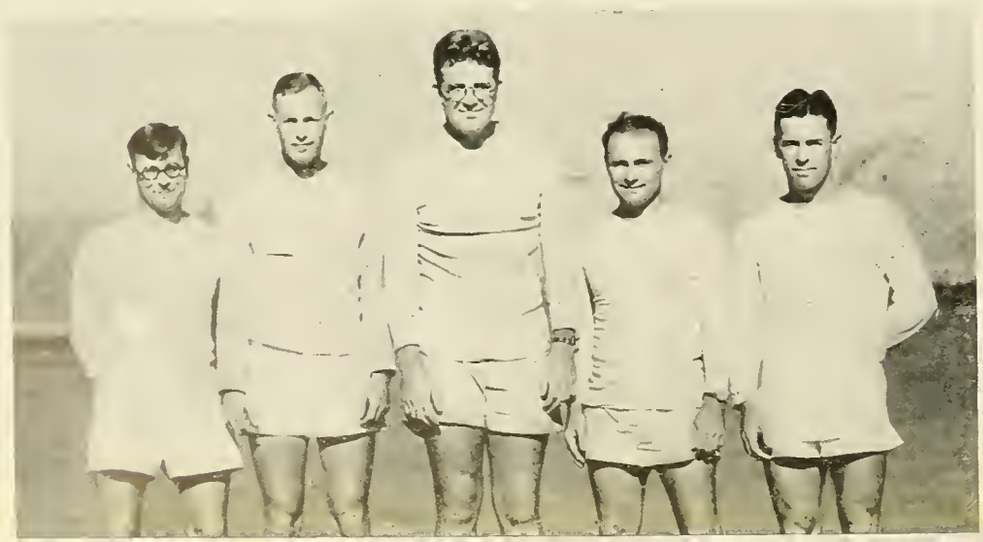

On a play, especially devised for the occasion, Homer Robinson shifted to the end position, sneaked into the clear, and taking in a long spiral from "Little Monk" Simons, ran, much to the amazement and amusement of the crowd and players, for his first touchdown of collegiate football.

Simons, on a run from punt formation, Thames on a 40-yard off-tackle dash, Lodrigues, on a line plunge, and Henderson, on a 64-yard jaunt, were the other touchdown scorers of the contest.

Sewanee made only one serious threat—that being stopped by Thomas who caught Clark in the clear after he had raced 59 yards down the field toward the Greenies goal.

That Hectic L. S. U. Affair

TULANE, 13—L. S. U., 12

With the Southeastern Conference championship hanging in the balance, an indomitable spirit fused into a faultless football machine proved the unbeatable combination as Tulane's Green Wave defeated an ever-threatening L. S. U. Tiger, 13-12, before a stadium packed with 31,000 stark mad spectators.

The contest was a see-saw, thrill-packed, never-to-be-forgotten one. Tulane jumped into an early lead on Hardy's touchdown, which was immediately followed by a successful conversion. The Tigers came within one point of the lead when Ernie Seago scored and went into a five-point lead soon after on Abe Mickal's touchdown—a lead they held until the last three minutes of play.

Then, "Little Monk" Simons, after receiving a perfect lateral from "Bucky" Bryan, electrified the crowd by streaking 45 yards down the field to score the winning touchdown and, incidentally, to keep his record of "a touchdown per game" intact.

The game was one rapid succession of spectacular, breath-taking plays. Second in color only to the final touchdown play, was that great L. S. U. pass, started as a reverse, changed into a lateral, and ending in a long pass from Mickal to Barret, who was stopped just short of a score by Loftin. Seago's score, made after snatching the ball which had been bobbled about for several seconds by half of each team, was another hair-raising moment.

Simons and Mickal were by far not the only men to cover themselves with glory. "Barney" Mintz, Dick Hardy, Charlie Kyle, Homer Robinson, Bill Moss, Bob Simon, Roy Ary, Joe Loftin, "Bucky" Bryan, Marion Monk, Dave Pace, and every member of the Greenie squad who played did so in an inspired, superb manner. Gaynell Tinsley, a sophomore end, was the outstanding man on the defeated team and inferior to no one on the field.

DAVID E. PACE
Guard

Dave was able to show his wares in several games and each time improved. He was one of the outstanding players of the memorable L. S. U. battle.

HOWARD J. RAU
Fullback

Big and powerful, "Country" will furnish plenty of competition in the fight next year for the first-string fullback position.

HAYWOOD H. HILLYER
End

Although he has faced little varsity competition, Haywood's speed and agility will stand him in good stead in years to come.

TROY J. ODOM
Halfback

Held out of play this year, Troy's play in scrimmage has been taken as an indication that he will be hard to stop in the next three years.

RICHARD M. PAGE
Halfback

Dick's reliability, speed, and shiftiness have marked him as one of the most useful reserves on the classy Green Wave backfield.

ERNEST H. GOULD
Center

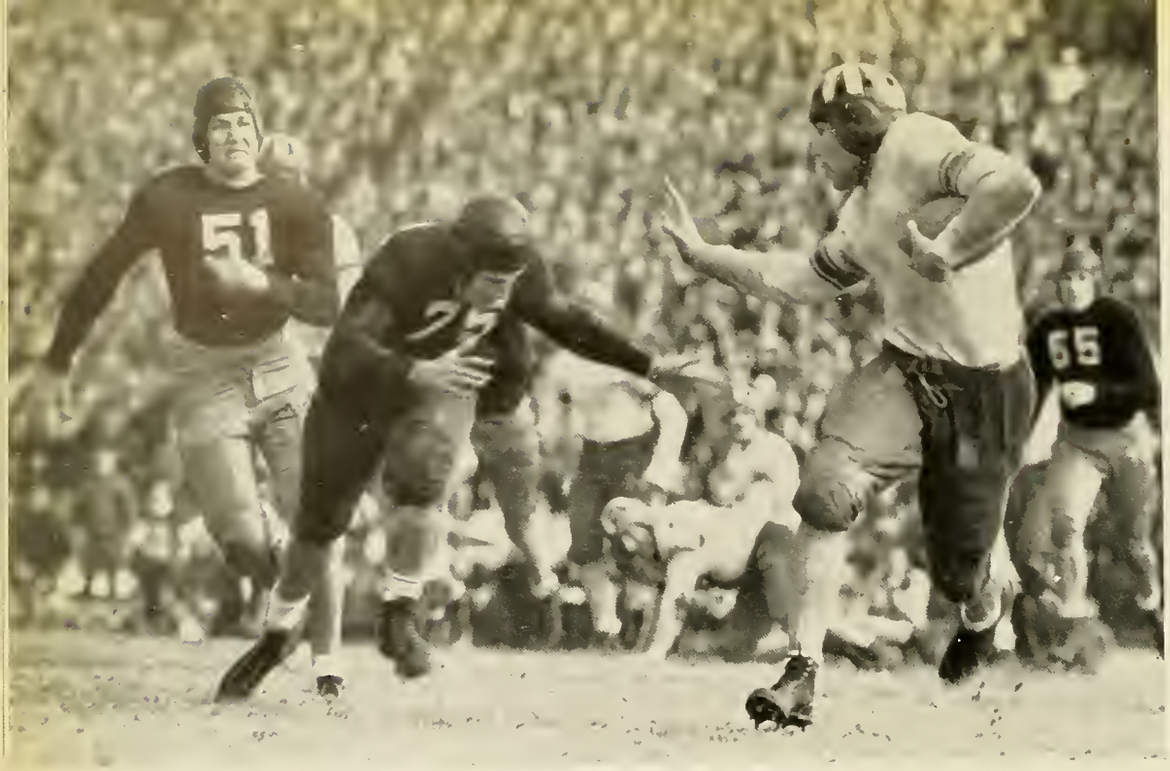

With two years experience tucked under his belt, Ernie is slated to join the first-stringers next year to climax his career.

That GAME with

TULANE, 20—TEMPLE, 14

As a crowning achievement to a very successful season during which, aside from numerous other honors, they had annexed the Southeastern Conference championship, Tulane's great 1934 football machine came from far behind to conquer the Warner-coached Temple Owls on New Year's Day in the first annual Sugar Bowl game. The contest attracted nation-wide attention, drawing football enthusiasts from every part of the country.

Tulane's victory was the result of a sheer "won't lose" attitude on the part of every player. With grim determination, the Wave set about, after momentarily stopping the great Owl back, Dave Smukler, late in the second quarter to overcome a staggering 14-point lead.

One breath-taking, spectacular play put the Greenies well on their way toward victory. On the kickoff, immediately following the final Temple touchdown, John McDaniel latteraled the ball to "Little Monk" Simons, who raced 65 yards behind perfect interference to score the first Wave touchdown. "Barney" Mintz successfully converted. Temple made a scoring threat at this point, but were stopped as the half ended.

The second half opened with an even more inspired Olive and Blue eleven taking the field. Paced by "Bucky" Bryan, who made consistent, long gains through the Temple line, the Greenies shortly were again in scoring position. A double pass behind the line placed the ball on the Owl 20-yard line. Lodrigues bucked the line for a first down and then Bryan completed a pass to Dick Hardy for the second Greenie touchdown.

With the score now standing at 14-13, the entire starting backfield was rushed in

STANLEY D. LODRIGUES
Fullback

Called upon to fill the shoes of his injured captain, Stan turned in a surprisingly excellent game that immediately merited him varsity honors. His splendid blocking and running in the Temple game will never be forgotten.

Another hold-out for future play is Wiltz. His work at quarter has been closely watched and will see use against many opponents in coming seasons.

ARCHIBALD B. D. SAINT
End

Archie faced opposition in two or three games in a very creditable manner and will probably be among the leading ends next year.

W. PORTER TULL

Another one of those men held out for future play, Porter, with three years of ball ahead of him, should be a top-notch performer.

and on the next play, Mintz again converted to bring the score up to a 14-14 tie. Thus the game stood until the last quarter, when, after the excitement-mad throng had begun to believe that the teams were so evenly matched there would be no more scoring, the Greenies came through with another, the winning touchdown.

This final tally was made on a freak, almost uncanny, play. Mintz shot a pass, intended for Hardy, but which was hit and deflected by Mowrey of Temple. The ball took a fortunate hop and barely touched the tips of Hardy's clutching fingers. He made a desperate lunge and managed to hold the pigskin, and then with it securely locked under his arm, sped down the field over the Owl goal for the last score of the day. The conversion was unsuccessful.

"Little Monk" Simons, "Barney" Mintz, "Bucky" Bryan, and Dick Hardy played stellar roles, each having contributed to the Wave's final score, but Simons of Tulane, and Smukler of Temple, both mentioned as All-American calibre, held the spotlight for the day. Smukler scored twice, while "Monk," finishing his career with his season's record of "a touchdown a game" intact, made his customary touchdown.

Several men, who had not particularly distinguished themselves before this game, entered the game as unknown quantities and each one covered himself with glory. Smither, replacing Bob Simon, who was out with a broken vertebra; Noel Loftin, who replaced Home Robinson after he was taken from the game with a fractured skull received in a head-on collison with "Danny" Testa of Temple; and Bernie Evans and Bill Ary, both 60-minute performers. They were all unheralded headliners for the day.

Freshman FOOTBALL

When Coach Ted Bank issued his call for candidates for the freshman football team, fifty-one promising yearlings reported to him and his assistants, Nollie Felts and Charlie Rucker. This was one of the largest and most promising squads in years.

For their first game, Coach Bank took thirty players to Tuscaloosa to meet the Baby Elephants from Alabama. Fresh from a 44-0 victory over the Mississippi State freshmen, these Crimson Tide yearlings looked forward confidently to taking the Tulanians into camp. Instead, they met a team that not only out-fought them, but outplayed them most of the game. Up and down the field the Billow drove, but were unable to cross that final white stripe. Meanwhile, Alabama had scored on a "fluke" play. On a fake punt and a 69-yard run, halfback Roberts scored the only touchdown of the game. The final score was 7-0, but it fails to show the fine fight and ability the Greenies demonstrated.

COACH TED BANK

For the second time of the season, the Baby Billow of Tulane bowed in defeat by the narrow margin of one touchdown, this time at the hands of the Little Bengals from Louisiana State. For the tenth time in as many years the Wavelets failed to overcome the jinx and whip the Tiger frosh. Still, even in defeat the Tulanians showed their traditional fight and displayed enough ability to more than hold their own with the baby Bengals. Again it was a "fluke" play that whipped them, a forward pass that caught their secondary napping was good for the needed points. The Billow line played magnificently, again and again repulsing the Tigerlets' running attack. Their own defensive worked smoothly, but they lacked that final punch to put the ball over. Twice they brought the ball down to the goal, only to have the Bengals stiffen and take the ball on downs. It was a heart-breaking game to lose. The final score was 6-0.

Even though their actual playing season against outside competition was not so successful, the Tulane freshman football team did some really outstanding work. Their scrimmages against the varsity and their fine work in their two games stamped them as a formidable aggregation of gridders, many of whom should rise to the heights of football fame at Tulane.

Those players who received their freshmen numerals were: Nick J. Accardo, McNeely Avants, Calvin K. Benedict, Lucien J. Cutrera, John F. Dirmann, Jr., Robert S. Dexheimer, Bill V. Flowers, Edwin J. Friedrichs, Carl F. Goll, Louis H. B. Graham, George N. Haik, Norman B. Hall, Jr., Victor K. LaRocca, James B. McGrath, George Manteris, Louis J. B. Mestier, Jr., Raymond H. Miller, Jr., James A. Williams, and Eugene C. Wise.

Back Row: Dirmann, Accardo, Friedrichs, Flowers, Vincent, Nelson, Upton, Tolusso, Nussbaum.
Second Row: Wise, Hall, Watermeier, Moreau, McGrath, Williams, Mestier, Payne, H., Graham, Goll.

CAPTAIN CLAUDE SIMONS, JR.

BASKET BALL . .

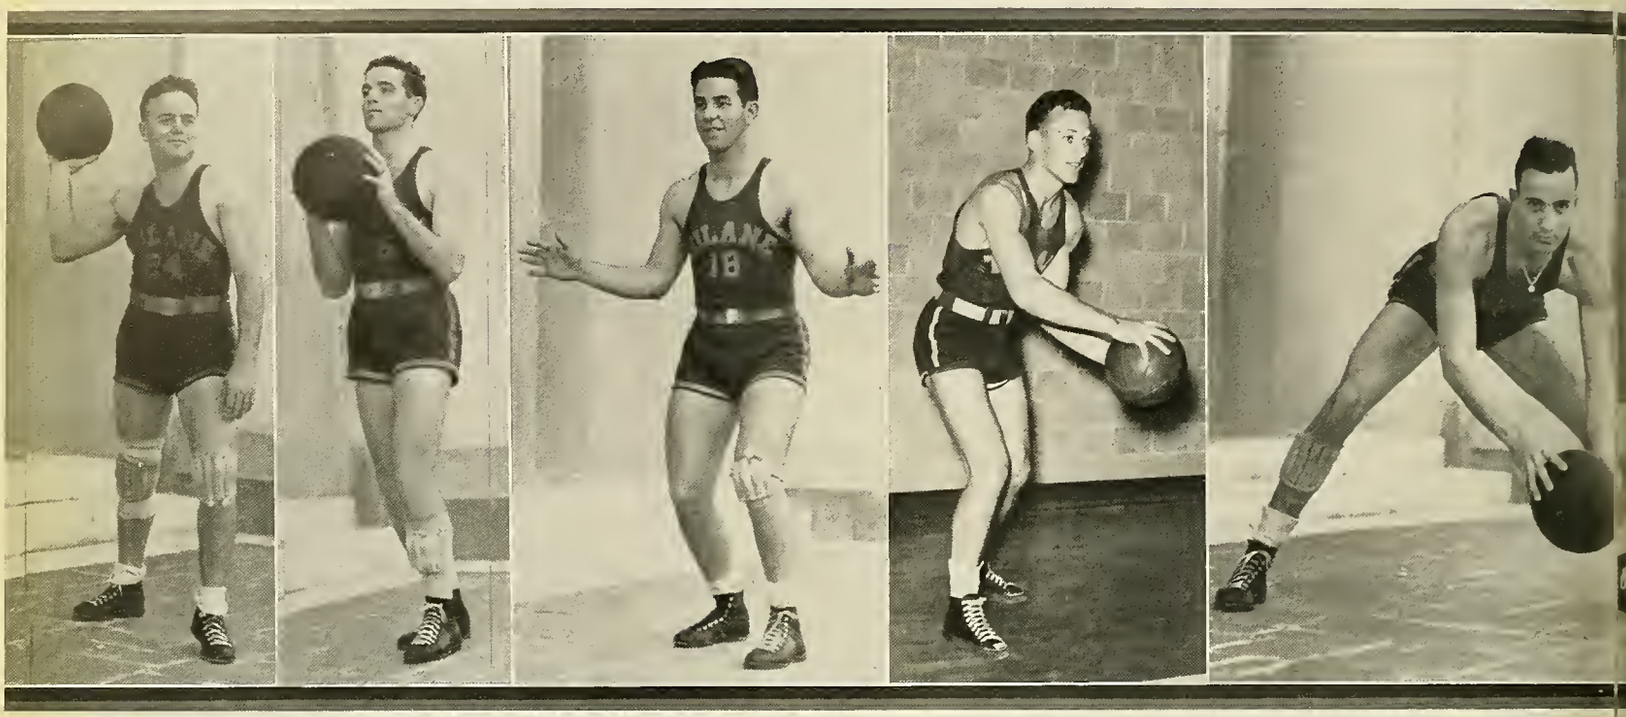

TULANE experienced during the 1935 season what was perhaps her most disastrous venture into conference basketball. Faced with a difficult schedule and an inexperienced squad, Coach Ray Dauber opened his second season at Tulane in an inauspicious manner, dropping nine straight games before breaking into the win column. Only Kendall Cram, Claude Simons, and Leslie Hebert were back from the previous season's varsity, and Grant Jahncke, a sharp-shooting forward, was ineligible until mid-term. To somewhat help the situation, a fine group of sophomore cagers came up, on whom Coach Dauber was dependent for the nucleus of his team. However, even this hope was partially blasted when the post-season football game kept several of these off the court.

With the outlook bleak, Coach Dauber had to send his team against one of the strongest quintets in the country, the Kentucky Colonels. Led by six-and-a-half foot Leroy Edwards, the Kentuckians took both games of the series, the first by 38-9, and running the second up to 52-12. In both these games, diminutive Kendall Cram led the Green Wave in scoring and in defensive play, with Bobby Monsted and Ernie Carrere, two fine sophomores, doing their share. Although completely outclassed by their vastly superior opponents, Coach Dauber's aggregation showed some promise with nice defensive play and good team-work.

Six Alabama Rose Bowl players joined their basketball squad in New Orleans to help hand the Tulane cage team two straight defeats, 24-12 and 31-26. This game marked the return of Captain Claude Simons, Hughes Schneidau, and Gus Clark, who participated with the Wave grid team in the Sugar Bowl tilt. However, the return of these three was not enough to stem the accurate prowess of the Alabamians, consequently resulting in the fourth consecutive loss for the Greenies.

The Greenies journeyed to Knoxville in hopes of breaking their losing streak, but the Tennessee cagers put on an unexpected burst of power and vanquished Tulane in both games. Although they lost the first game 38-18, Tulane uncovered a star in Ernie Carrere, who not only performed brilliantly at center, but scored half of Tulane's points. In the second encounter, with the count 39-27, Carrere was again outstanding, scoring nine points. Captain

Coach Ray Dauber developed many stalwart sophomores into real basketball players.

Harry Anderson and soph Floyd Marshall led Tennessee to victory in both games.

Tulane met its seventh and eighth defeats, this time two more at the hands of Kentucky. Playing on their home court, the Colonels ran up 63 points in the first game, while Tulane could garner but 26. In the second game the score was 55-12. "Little Monk" Simons jumped into the limelight along with Ernie Carrere, both being the leading scorers for the Wave cagers during this series.

Number nine came at the hands of Vanderbilt, who took the Greenies into camp by 50-34. For the first time during the season the Greenies showed real accuracy in their shooting, but their defense could not cope with the Vandy marksmen. Ernie Carrere, "Doc" Schneidau, Captain Simons and another soph, Bobby Lockett, led the Greenies. Only one game was played with Vandy.

For the first time in Tulane basketball history, a prep school basketball game was played prior to the varsity game. This was done to help increase the attendance, which had fallen off, due to the Greenies poor showings on the court. However, the throng that attended the opening game against Ole Miss saw an almost entirely different team, a fighting team, possessed with plenty of ability and team-work. They fought, and they fought hard, but they just couldn't turn the trick, the final scoring being 43-20, in favor of the visiting Mississippians. Again Tulane

followers resigned themselves to another series lost, and many did not take the trouble to see the following game. But, what a surprise they missed! The Tulane cagers showed that their flashes of form on the preceding night were really signs of latent ability, and came through with a decisive 41-23 victory over the Mississippi team. Ole Miss was good, and Rab Rodgers, their ace forward, was "on," but Tulane had finally broken the jinx and had come through to a glorious victory. Ernie Carrere, Bobby Lockett and Boisey McCloskey, shared scoring honors, each getting nine points.

Although the season is not yet over, Tulane has shown enough promise to warrant an optimistic outlook, not only for the remainder of the season, but for next year. The team this year was handicapped by lack of height, but made up for this with plenty of fire and speed. Ernie Carrere played sterling ball in every game, displaying a sure eye for the basket and doing some fine defensive work. During the early part of the season, Carrere jumped center, but was later moved to a forward spot. Lean, lanky Bobby Lockett did the jumping for the Greenies during the latter part of the season, and did a fine job.

"Doc" Schneidau, who was a leading prep school player, was handicapped by a long season of football and had some difficulty in getting accustomed to the change. Even then, "Doc" displayed flashes of his brilliant game and should be one of the most valuable players next season. Bobby Monsted was another sophomore who came through in fine style. His smashing defensive work was outstanding all through the season, and his occasional scoring helped a great deal. Captain Claude Simons, after leading the Green Wave to a successful football season, joined his teammates on the court and played some fine basketball. "Little Monk's" roughness often disconcerted enemy forwards, while his accurate work under the basket was a thorn to the opposing guards. His bang-up game will be sorely missed by the Green Wave cagers when they take the floor next season.

Boisey McCloskey, the smallest man on the team, started out as a forward and was then shifted back to a guard position. He reached his peak in the second encounter with Ole Miss, vindicating Coach Dauber's judgment in giving him a varsity post. Kendall Cram, who divides his time between basketball and tennis, again this year showed Tulane fans that he is one of the best "little" players to ever wear the Olive and Blue uniform. His speed and accurate shooting stamped him as an outstanding performer, and his agility and splendid defensive work made him popular with the fans.

The prospect for next year is much brighter. The sophomores of this year will have a year's experience in Coach Dauber's basketball behing them, and reports from Coach Les Lautenschlaeger indicate that he has a top-notch freshman team.

HOWARD SMITH, GREENIE HURDLER, STEPS HIGH

ON THE CINDER PATH

With its point earning capacity resting too heavily on the shoulders of a very few outstanding individuals, Tulane's 1934 Track Team, while a peer to the average conference squad, was several notches inferior to a championship aggregation.

In their initial competition of the season, the Greenies succeeded in tying with Rice in third place, bowing before L. S. U. and Southwestern, in the Southwestern Relays. One first place, one second, and three thirds were earned by the Wave representatives.

The half-mile relay team, composed of Marcus Rubenstein, Simon Herold, Adolphe Billet, and Herman Neugass, was the only Olive and Blue first place winner. The 440-yard relay team of Herold, Neugass, "Little Monk" Simons, and "Barney" Mintz took a second and the mile relay group of the Rubenstein brothers, Billet, and Lenny Oppenheim placed third. Simons took a third in the javelin with a throw of 166 feet. Thorn sprang somewhat of a surprise by nearly nosing out the favorites in the 120-yard high hurdles but finally took third.

In what was said to be the most exciting race of the meet, the Greenies were nosed out of a win by L. S. U.'s Tigers in the 440-yard relay. Herold started the run and was just behind Saxon at the end of the first lap. Neugass took the baton and streaked out to give Simons a lead, a lead he held despite all the might and main of "Slats" Hardin, All-American quarter-miler. In the last lap, Mintz was beaten to the tape by inches by Stockwell who fell across the tape in a final desperate lunge.

A fast-stepping mile relay team decided a track meet against the Greenies as Alabama's Crimson Tide eked out a 61-56 victory over them in their initial inter-collegiate meet of the year.

Herman Neugass won the century in 9.8 seconds and the 220 in good time despite the slow track, while Charlie Thorn ran off with first places in each of the hurdle races. Both were tied for high-point honors of the meet, each having amassed ten. "Barney" Mintz and Leslie Hebert took every point in the broad jump with leaps of 22 feet 10¾ inches and 22 feet 9½ inches, respectively. "Little Monk" Simons gave the final push on an up-hill battle to make a relay race a necessity by making the best throw he had made to send the javelin 176 feet 8 inches to beat Nogi of Alabama by two feet.

But the most spectacular event of this spectacular meet was the final, climacteric relay race which the 'Bamians ran in 3 minutes 31 seconds to break a 56-56 deadlock. Starting in the inside lane, "Doc" Tierney of Alabama jumped to an early lead on the first curve but was passed by Billet who had won the quarter-mile race earlier in the meet, and Oppenheim took the baton with a ten-yard lead. However, Bob Raymond, Emmett Alder, and Charlie Stapp were a little too much for the Greenies, Alabama taking the relay and the meet.

The Greenies won a moral victory over L. S. U.'s national champion Tigers by earning almost twice as many points as they were generally conceded. The final score, however, was 73 2-3 to 43 1-3, decisive enough to the 1,200 fans that witnessed the muddy meet.

Despite the mud and mire, the competition was keen and many excellent marks were made. Jack Torrance of L. S. U. pulled the outstanding feat of the meet by tossing the shot 52 feet 2 inches to take first place in that event. Nathan Blair of the Tigers heaved the javelin 200 feet 3 inches and Herman Neugass of the

Wave stepped the century in 10 second flat and the 220 in 22.2 on a track almost completely inundated. Charlie Thorn, too, handed in a very creditable performance in the high hurdles, winning that event in 15 seconds flat.

Thorn, incidentally, took high-scoring honors with a total of 10 2-3 points, earned by a first in the high hurdles, a second in the lows, and was one of the three tied in the high jump. Three placed second in high-scoring honors. All had ten points. Torrance took first place in the shot and discus, Neugass in the 100 and 220, and John Sanders, the Tiger's outstanding distance man, easy victories in the mile and two-mile runs.

The relay, which went to Tulane in 3 minutes 32.2 seconds, was one of the most exciting events of the meet. Marcus Rubenstein, Albert Rubenstein, Eddie Marks, and Adolphe Billet composed the winning team. Leslie Hebert won the broad jump with a leap of 23 feet 6 inches, leading the runner-up by nearly a foot. Perez and Lodrigues of Tulane and Abbott and Newell of L. S. U., all tied for first in the pole vault while Thorn, Eddie McLellan and Stewart, the latter of L. S. U., all tied in the high jump.

With only three men taking places, the Wave placed fifth in the conference meet, held in Birmingham, by taking four second places and one fifth.

Herman Neugass, Captain-elect, was again the star for the Oakes squad, totaling 8 points, with seconds in the century and furlong. Charlie Thorn took five points, going second to Fisher of L. S. U. in a 14.7 second high hurdle race and fifth in the lows. Leslie Hebert, barely missed a first place in the broad jump. Howard Smith, the fourth Wave star entered, had trouble with an injured leg and failed to place in either of the hurdle races. L. S. U. won the meet with 74½ points, Auburn, Georgia, and Alabama finishing in order.

In the nationals, Neugass qualified in the 100, was nosed out in the 220 and failed to place in the finals. Thorn failed to qualify in either of the hurdle races while Hebert qualified and came in eighth in the broad jump.

BASEBALL *at* TULANE

Although baseball was still played as a strictly intra-mural sport, the "famous national game," with a marked increase in interest, continued its upward trend in popularity. The sport was conducted in league form with each of the various schools participating.

In the opening series of this, the third year of the intra-mural competitive idea, the Arts and Sciences, Commerce, and Medics downed their respective opponents to jump into a quick league lead. The Arts and Sciences nine defeated the Physical Eds 7-4 as Joe Davies went the route against three rival pitchers. Commerce defeated the Lawyers 4-3 in a game that went two extra innings. The Meds romped over the Engineers, 9-2.

The Arts and Sciences nine trounced the Medics in their next game by a score of 5-2 and then clinched the league lead by downing the Engineers 9-5 to make it three straight victories. Meantime, the rest of the standings were thrown into confusion as the Physical Eds downed the Shysters in a one-sided, free hitting contest, 13-5. The Shysters came back strong in their next game, and, in a thrilling contest, were barely nosed out by the Medical School, losing by one point, 6-5.

Thus far, the record books showed the Arts and Sciences team to be also leading with the number of runs scored, 21. The Physical Eds, with 17, were second. Dean Allen of the Medics led with individual runs scored with a total of 6 while Joe Davies of the leading Arts and Sciences squad was second with 5 tallies.

In their next scheduled contest, the Arts and Sciences automatically were credited with a victory on a default by the Lawyers who were unable to gather their entire squad. Commerce's hard-fighting nine jumped into a possible championship by nosing out the Medics, 4-3, in another exciting nip-and-tuck battle. This victory placed them, with a record of three wins and no losses, in a tie for first place with the leading Gibson Hall nine who were credited with four wins and no lefeats.

With Joe Davies leading the batting attack, the Arts and Sciences school maintained a perfect record by downing the Commerce team 10-6 in the final game of the play. McGhee of the victors pitched excellent ball, his team making a six-run lead before the Commerce squad scored once. The final standing was as follows: Arts and Sciences, Commerce, Medicine, Physical Eds, and Engineering and Law were tied for last place.

THE TENNIS RACKET

Facing their initial year's competition while under the tutelage of Emmett Paré, Tulane's tennis team, bolstered by the return of many veterans of former great squads, emerged from their schedule of fourteen matches with scarcely a blemish on their record.

Opening the season's competition, the Greenie racqueteers conquered the City Parksters in characteristic fashion, taking four of the six singles matches and two of three doubles. Sutter, Hume, Haspel, and Norwood were victorious in the singles, while teams of Sutter and Cram, and Hume and Haspel won in the doubles.

In a surprise score, the New Orleans Tennis Club downed the Greenies decisively, letting them take only one match, in the singles, that of Cram over Murray. For the second consecutive year, the Texas University team played a tie match with the Greenies—Sutter beating Buxby in the No. 1 match of the day. Against Rice, the Greenies encountered little trouble and emerged victor by a 6 to 0 count. In the singles, Sutter, Cram, Hume, and Haspel, all downed their opponents with little trouble.

In a return match, Rice fared little better, this time taking only one match—Hess taking Sutter in straight sets. Dick Haspel was forced into an extra set to take Atler, but Kendall Cram and Charlie Hume practically walked through their opposition. Doubles teams of Sutter and Cram, and Hume and Haspel, took their matches in straight sets.

With Eddie Sutter leading the way with an easy straight set victory over Charlie Diel, the Olive and Blue netmen continued their winning streak by outscoring L. S. U. five matches to one. The lone Tiger victory came when Dowell took Ashton Phelps, playing his first inter-collegiate match, 6-3, 6-3. Cram dropped only two games as he won in straight sets and Hume, scoring at will, won 6-2, 6-3 over Perez. Cram and Sutter, paired in the No. 1 doubles match, after losing three games, settled down and finished the match with a love set. Hume and Haspel, losing only four games, downed Cannon and Dowell in straight sets.

Dropping only one set during the afternoon, the Tulane netmen white-washed L. S. U.'s Tigers for a second time in a return match. Co-Captain Eddie Sutter took Diel's measure in straight sets, slowing up after a love set to take the second, 6-4. Ken Cram allowed only two games to slip by as he conquered John Cannon, 6-0, 6-2. Co-Captain Charlie Hume allowed the opposition only one game as he coasted through to the most decisive victory of the match. Dick Haspel and Willard Dowell met in the most closely contested match of the day with Haspel finally winning in three sets.

The doubles team of Sutter and Cram defeated Cannon and Dowell, 6-1, 6-1, while the pair of Hume and Haspel, defeated Diel and Isaminger, 6-0, 6-1.

The Greenies swamped the University of Cincinnati's squad by taking every match without even losing a set. Sutter eased up after taking the first set and was forced to a 9-7 set by Fox. Cram quickly and easily won his match over Vidle, losing but three games. Hume dropped four games as he took the measure of Austing, 6-3, 6-1. Haspel downed Beckholz in straight sets with little trouble. Sutter and Cram, and Hume and Haspel, took the doubles matches in smooth style.

Another clean sweep immediately followed as the Greenies, dropping only eighteen games the entire match, downed Kentucky without losing a single set. Eddie Sutter lost only one game as he took the No. 1 match 6-1, 6-0. Ken Cram, Charlie Hume, and Dick Haspel were all in good form and had little trouble winning.

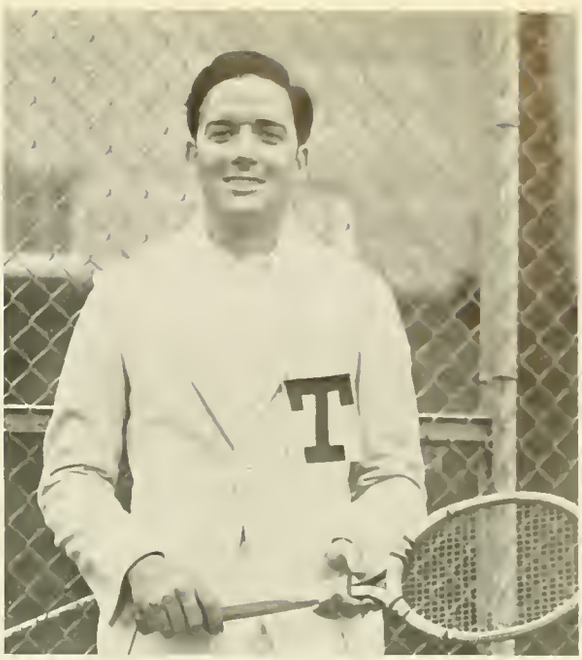

Climaxing its season, the team downed Alabama without losing a match, but with slightly more difficulty than in the preceding few matches. Eddie Sutter took a 6-1, 6-1 match in the opener, but Charlie Hume, playing an uphill battle all the way, had difficulty with Hamilton, winning, 5-7, 6-4, 6-4. Ken Cram defeated Simpson in easy fashion, while Haspel fairly romped over Grant, dropping only one game in the final set. Sutter and Cram won their doubles match in straight sets but Hume and Haspel, after dropping their initial one, came back to take two, 6-4, 6-4, and the match.

An enthusiastic crowd enjoys one of the Spring tennis matches.

ROBERT W. DARAY
CAPTAIN
of the Greenie Golf Team

ALTHOUGH hampered by a lack of material from which to build a strong team, the Tulane Golf Team of 1934 did make a creditable showing and gave great promise of having a powerful aggregation in 1935.

Members of the team were selected by means of a 72-hole medal play tournament. The tryout matches were held at the Audubon Golf Club, the Colonial Country Club, and two of the matches were held at the New Orleans Country Club.

Captain Bob Daray, who was selected to lead the Greenie foursome in 1934 because of his fine showing on the 1933 team, led the field in the tryouts at the beginning of the last eighteen holes but because of a fine finish on the part of Charlie Moore, a sophomore candidate for the squad, lost the number one position by one stroke. Jack O'Connor, John Blair, and Ed White finished in the number three, four and alternate position respectively. Captain Daray and Moore made up the number one doubles team, while O'Connor and Blair composed the number two team.

Weakened by the loss of its two most experienced players from last year, ex-Captain Rudolph Schulze and Jack Schwab, the Greenie foursome met with defeat in its first collegiate match of 1934. This match was played with Louisiana State University over the Westdale Country Club course at Baton Rouge. Moore lost to Bobby Anderson, the Louisiana State Golf champion, 3 to 0. Daray lost to Vance Liddell, 3 to 0. Moore and Daray teamed to tie the L. S. U. twosome of Anderson and Liddell. Jack Chambers of L. S. U. defeated Jack O'Connor of Tulane, 3 to 0. John Blair turned in a 2 to 1 victory over Buster Anderson of L. S. U. Chambers and Buster Anderson teamed to defeat O'Connor and Blair in the doubles match, 3 to 0.

In a return match with L. S. U. held at the Colonial Country Club in New Orleans, although the team was defeated, it gave evidence of improvement in form. The final score of this match was L. S. U., 11½, Tulane, 6½. Charlie Moore turned in the outstanding performance of the day by a two-to-one victory over Bobby Anderson, state champion and star Tiger player. Anderson bested Moore in the morning round, but the Tulanian came back strong in the afternoon, dropping a twelve-foot put on the final green for a beautiful eagle three and the match. Displaying a beautiful brand of golf, Vance Liddell of L. S. U. defeated the Greenie captain, Bob Daray, 3 to 0. Moore and Daray divided the No. 1 doubles match with Anderson and Liddell, 1½ to 1½. Buster Anderson defeated John Blair, 2½ to ½, in the third match of the day. Ed White, playing in his first intercollegiate competition, defeated Preston Griffith of L. S. U., 2½ to ½. In the No. 2 doubles match, Buster Anderson and Griffith defeated Blair and White of Tulane, 3 to 0.

In the third intercollegiate match, Tulane sent a two-man team against Spring Hill College of Mobile. The Greenie team, composed of Captain Bob Daray and Charlie Moore, proved to be a smooth working pair and shut out the Hillians by a score of 9 to 0. Daray

and Moore gained a fine advantage over the Badger players, Charley Traynor and Bruce Braswell, in the first nine holes and never relinquished this lead throughout the day. The final score of this match was Tulane, 3; Spring Hill, 0. In the singles matches, Moore had little trouble with Traynor, winning as he pleased, for a 3 to 0 victory. Daray, in his singles match against Braswell, was forced to give an exhibition of his ability as a fine match player. Daray, finding himself with three holes left to play in the morning round, rallied brilliantly to win the last three holes in succession to come through with a one-up victory. Captain Daray had little trouble in winning his afternoon match. This victory gave the Greenies a total of 9 points to their opponents' 0. The last half of the match was played in a driving wind and rain, but the Spring Hill students showed their college spirit by following the play in spite of the weather. This match with Spring Hill closed the 1934 competition for the Greenies.

Judging from the number of good golfers eligible, the prospects for the 1935 golf team look more promising than they have been for years. As a foundation on which to build the 1935 team, Tulane will have the return of its two veteran campaigners, Bob Daray and Charlie Moore, playing in their last year for Tulane. Blair and White will also be eligible for the team again this year.

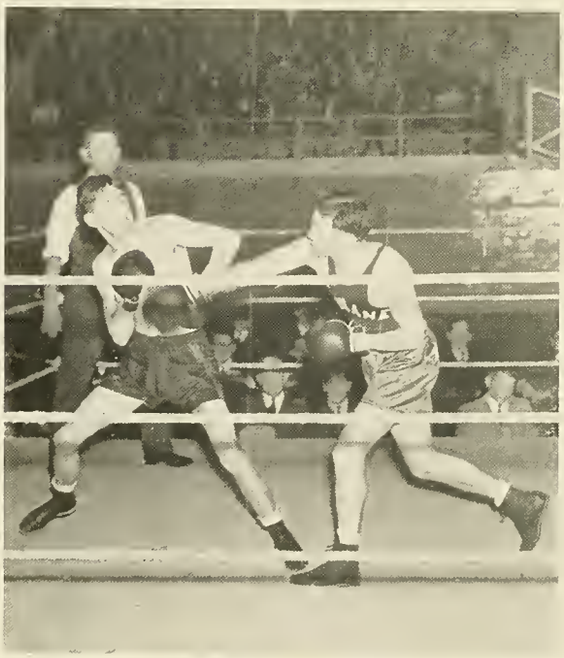

Tulane's strongest opposition for the coming year will come from the L. S. U. foursome, as it has in past years. Led by Fred Haas, Jr., the Southern Amateur Champion and Western Junior Champion, the Tigers can be counted on to be the strongest team the Greenies will play during the 1935 season.

Through the ROPES

The pugilistic representatives of Tulane University continued the fine showings they have demonstrated for the past five years. Faced with a lack of experienced material, and a heavy schedule ahead, the outlook was none too optimistic; but Coach Ted Bank, using three or four veterans as a nucleus, rebuilt another powerful squad which started slowly and gradually rolled into championship form.

The first matches of the season were against Florida, held in the Tulane gym. Last year Florida came down with a group of clowns who instead of fighting clowned their way through. This year, however, the Gators came down to the Crescent City with a real bunch of scrappers. In the first match, Mike Maroun slugged his way to a decision over Jack Pinkerton. Captain Justrabo had a little trouble, but finally came through with a decision over Florida's Captain, Bob McMullan. The next match was even closer, but his aggressiveness and a fine left jab brought Charlie Houlgrave the decision and made the count 3-0 in favor of Tulane. In his debut as an Olive and Blue boxer, Ernie Edmundson boxed nicely during the first round but some stiff punching by the Floridian, Dan Allen, put him in a bad way and his seconds were forced to throw in the towel, giving his opponent a technical knockout.

Bill Nichols fought against the Gators in the junior middleweight division and waged a game but losing fight against Jess Farrell. This left the count at 3-2, still in favor of Tulane, but the next match tied the score when Ed West fell a victim before another hard-punching Gator, Bob Livesay. Howard Rau, fighting as a light-heavy, found himself up against the ace of the Florida team and although he fought gamely, he was no match for his clever and hard-punching opponent, Sam Davis. Rau took some terrific punches before the towel came in. This put Florida in the lead, 4-3, but they had to forfeit the heavyweight match to Dan Mabel of Tulane, tieing the score 4-4.

After several weeks of stiff workouts, the Tulane boxers came up against the highly-touted Ole Miss scrappers, who had previously whipped Alabama, 7-1. To start the night, dependable Mike Maroun again punched his way to victory, this time upsetting the favored Tony Rosseti. Sonny Ballard of Ole Miss gave Captain Justrabo a few bad moments with his long, flicking left, but the fighting Tulanian soon picked holes in his defense and punched his way to a clear-cut victory. At the bell, Leo Smith of Ole Miss came tearing out of his corner and landed three punches on Charlie Houlgrave's chin, which sent the Tulanian sprawling to the canvas in only 14 seconds. Hazel Lackey of Ole Miss punched Pat Ball of Tulane at will and conquered him easily with open hand smashes. In what was considered the feature bout of the evening, "Bucky" Bryan astonished the large crowd by putting on an amazing boxing exhibition before stowing Joe West of Ole Miss away in the third round. "Bucky" was clearly superior in all departments and when he did open up, the crowd got a glimpse of his famed "tiger" punching. He almost lifted West into the air on that final, sleep-producing punch.

ERNEST EDMUNDSON, Welterweight; BILL NICHOLS, Junior Middleweight; DAN MABEL, Heavyweight; HAROLD MEMTSAS, Middleweight; LAWRENCE JAUBERT, Manager; Ed West, Middleweight.

Harold "Hoss" Memtsas put Tulane further into the lead by taking a close decision over Julie Levine, Captain of the Mississippi team. In a fight that had the fans roaring and yelling, Howard Rau decisioned Johnny Madre of Mississippi. Madre started the first round off with a bang, hitting Rau easily and leading on the in-fighting. Then, as though infuriated, Rau opened up and punched his foe all the way across the ring into a corner where the two banged and whaled away at each other. Blood streamed from Madre's nose, both were so tired they could hardly stand, but still they punched and smashed at each other. Rau clearly was the victor in a big surprise. In the final bout of the evening, Dan Mabel was no match for 240-pound Clarence Hapes of Mississippi. Surprisingly swift for so big a man, Hapes punched with hammer-like blows and soon beat Mabel to the canvas for a k.o. in the second round. This made the final score 5-3 in favor of Tulane.

One more series is yet to be met, those with Louisiana State. So far the Greenies have shown fine style, especially in those matches against the powerful Ole Miss team. Much praise should go to Coach Bank and his sterling performers for the fine way they carried Tulane's unspoiled escutcheon into the boxing wars.

Athletics at Newcomb COLLEGE

The enthusiasm with which the Newcombites turn out for sports is certainly a tribute to the excellence of the Newcomb Athletic Department, which has a most inclusive schedule and an equipment complete to the last detail. It is progressive and up to date as shown by this year's change in the regulation costume from brown full bloomers to sporty blue shorts.

Athletics in some form are compulsory until the senior year. The board and blase seniors are not required to participate at all, but the lure of the Newcomb sports brought out fifty seniors this year, representing about three-fourths of the class.

An interesting feature of the athletic department is the point system, which is a great inducement to the students to enter all the sports. Points are won by participation in sports, special honors falling to the chosen few who make the class teams. Six hundred points are required for the Newcomb "N," one thousand for the sweater, thirteen hundred for the pin, and fifteen hundred for the bronze and blue blanket.

MYRTLE PALMISANO, ONE OF NEWCOMB'S STARS IN ARCHERY.

The schedule of the department is so arranged that major sports are consecutive, while several minor sports are offered at the same time. In all the athletics there is keen inter-class rivalry.

The first major sport of the year is Newcomb Basketball, which is a game cherished at Newcomb because invented by Miss Baer, former director of Newcomb Physical Education. Toward the end of the first quarter the inter-class matches are held to determine the school champions. This year the freshmen downed the upperclassmen.

For those who do not care for this sport there are such activities as swimming, diving, apparatus work, bowling, ping-pong, fencing and badminton. Swimming continues throughout the year and a meet is usually held in May.

During the second quarter hockey is given the limelight, and those who like a good fast game and strenuous exercise throw themselves into it with zest. The hockey season also culminates in a spirited inter-class competition, the seniors taking the prize this year.

The beginning of the second semester is devoted chiefly to Spaulding Basketball, the high light of which is the Varsity-Alumnae game. This last semester is also the season for archery, volley ball, tennis and deck tennis. The tennis tournament begins soon after mid-term exams. The big day for tennis fans comes some time in April, when the final matches are played off, followed by the Tennis Tea held in honor of the winner.

In the merry scramble of games and outdoor sports aesthetic aspects of physical culture are not neglected however. Classes in tap and rythmic dancing are held throughout the year, while in the spring members of the Junior class prepare their dances for their annual May Day pageant. The performance of the members of the dancing classes is one of the features of the annual Gym Night Program held at the end of March, at which the stars of fencing, tumbling, apparatus work, and Danish gymnastics also exhibit their bag of tricks.

In the last quarter baseball and track vie with each other for the center of interest. The baseball season comes to an hilarious finis with the varsity-faculty game, in which the otherwise staid and sober professors forget their traditional dignity and enter the game with zest.

The last and biggest event of all and the one which closes the year's activities is Field Day, held in May. All classes are dismissed for the afternoon, and Newcombites circulate from one athletic performance to the other to watch the many events in progress, chief of which is the Track Meet.

To the victor belongs the spoils, and winners of all the year's events are awarded their trophies at the Tulane-Newcomb Trophy Night held before the close of school.

We believe in the tenets of abiding truth, which is the guiding star of our order. We believe in the helping hand which is the bar which binds us in our calling. We believe in the unity of service to one another which lends to the weary a word of cheer, to the poor a portion of our share, to a weak a meed of pity, to the stricken a voice of comfort, to the old a memory of youth, and to the wayfarer a help along to the journey's end.

Our emblem will always be an inspiration to duty, remembering it stands for excellence in all things, purity of purpose and honesty of method and effort, with the blessing of an Alma Mater upon each who wears her badge of honor. May our lives lie among the stars which light the way to the great mystery and may we so live that when we reach the end of the road we may find the veil, which parted, leads to the height of everlasting peace.

The Tulane Glee Club has been very active this year. It started out with the largest enrollment in seven years. It furnished soloists, quartets, and novelty stunts for Campus nights during the fall, and presented its winter concert the night of February 15 with a large repertoire.

Trips to Gulf Park College, and other points of interest in the State, were made in the early spring and the Glee Club's Double Quartette, composed of Joseph C. Walker, Jr., Robert Kinberger, tenors; Robert Aylin, Alvin Caplan, baritones; and Baker Marsh, Henry C. White, basses, appeared on occasions, both on and off the campus, where the whole Glee Club was not needed.

The Club ended its 1934-35 season with a spring concert which was well attended.

The Oratorical and Debating Council is composed of members of the Faculty Committee on Debating and members of the Varsity Debate Teams. The Council exercises complete control over intercollegiate debating and has for its purpose the arrangement and sponsorship of such contests, and in addition sponsors and arranges Freshman and Intramural Debating.

The Council, for the season 1934-35, conducted its usual two tours of debates. The first ranking team was sent to the Middle West with their main objective Chicago. On this ten-day trip they debated Chicago University, Vanderbilt University, University of Alabama, Southwestern University, and Millsaps College. The second ranking team was sent to Atlanta, and on this trip debated Birmingham-Southern, Auburn, Georgia, and Georgia Tech. The home schedule was small, having two debates for each of the two home-teams, these debates including the University of Pittsburgh, Washington and Lee University, Mississippi State College, University of Georgia, Williamette University, and Southern Methodist University.

The Moot Court system in the College of Law is especially designed to train students in the preparation and argument of cases. Technical training in legal research, brief writing and forensics—ordinary tools in the trade of the lawyer—form the foundation of moot court work, but the system gives in addition an even higher type of training.

The moot court rule abolishes the system of precedents and compels argument of the cases on their merits. The student must weigh the social factors and must concentrate upon the functioning of the rule of law. This freedom makes the moot court an excellent laboratory for the testing and comparison of the older theories that law is deductive, formal and arbitrary with the newer theory that the judge exercises a directive force to make law conform with social needs.

An important feature of the Tulane Moot Court System is that it is managed by a board of second and third year students selected on the basis of scholastic standing. The student board works under the supervision and with the advice of a faculty committee. The purpose of student management is to develop a sense of public responsibility and to attend to all of the details of the competition.

In the academic year of 1933-1934, the Tulane Moot Court Competition was won by Walter Coulson and Max Levine.

The International Relations Club is an active discussion group of international problems. It has its own library of about one hundred volumes, which was donated and is kept up to date by the Carnegie Endowment for International Peace. The organization also receives a number of international newspapers, pamphlets, etc.

Each member of the club is given the title of ambassador from one of the various countries and represents that country in all discussions of the club.

The aim of the Newcomb Glee Club is to build up a repertoire of part songs from the best musical literature. The members sing for school functions, outside entertainments, give an annual concert and with the Tulane Glee Club participate in an operetta.

This year the Club presented "Ruddigore," a Gilbert and Sullivan comic operetta, on two successive nights, December 13 and 14. Both performances were received by an enthusiastic audience.

PAN-HELLENIC PANNED

Beware, young man, beware the Greeks!
By all let this be heard.
The Phis, the Betas, Delts and Dekes;
Don't ever take their word!

On bended knee I say beware!
My eyes are wild, I tear my hair.
I weep for drunks I didn't throw,
For gals I didn't get to know
Because the Greeks took all my dough.

They'll offer you a fancy pin,
And half a pint of knock-out gin.

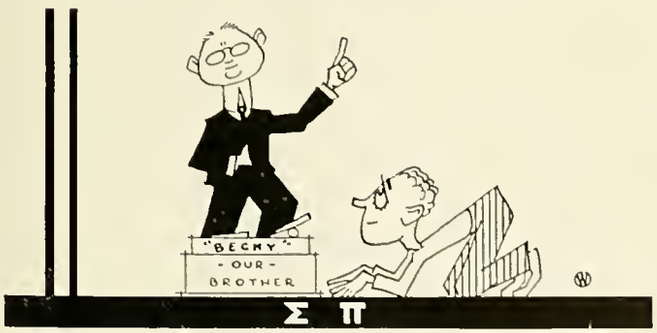

Accept it not, you mental peasants—
Beware the Greeks though bearing presents!

If there is one good college frat,
I for one don't know its name;
But I for one am certain that
It has no chapter at Tulane!

The others don't amount to much—
Kappa Alpha, Phi and such;
The A. T. O.s, the Delts and Dekes;
But here they are: Behold the Greeks!

Sigma Pi's one bid to fame
Is "Brother" Edward Beehtel's name.
(That's true, yet on the other hand
Eight of their members are in the Band!)
Blackwell's a drummer andFatter's a tooter;
Likewise are Suares, Viosca and Reuter.

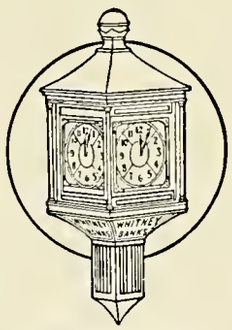

The curfew tolls the knell for Pi K. A.
That lowly herd winds slowly down the Lea,
A band of brothers that has seen its day,
And leaves the world to God and S.A.E.

Perhaps to this neglected lot has strayed
Some few like Dave or Brownie, Red and Holmes;
But four men don't compose a big parade—
But let the past repose within these bones.

They had a first rate lodge for many a year
Until they all began to dilly-dally,
And let it slip—ah, stranger shed a tear:
Their flower is the lily of the valley!

One Word

In 1828 Noah Webster published a 70,000-word "up-to-date English dictionary." In 1909 it was revised into a 400,000-word work and now a 600,000-word book will shortly be released.

Established 1883

We do not pretend to know even a remote part of the language, but if we were asked off-hand to select one word out of the 600,000 that best befits the Whitney, our choice would be

Phi Kappa Sigma is one big enigma,
And Joe Montagnet is their awfullest stigma.
With Simons and Simons, Lodrigues and Waechters
Their chances next year are a problem in vectors.

How they ever get half of the men that they do
To join with such a lugubrious crew
Is a problem that only a genius could answer—
It stands unexplained—like the cause of a cancer.

With rich men and poor men and fellows like Keith,
And one guy who looks like an Indian chief,
They stay in there pitching but never quite make it—
Which all goes to prove that the Phi Kaps can take it.

High diddle, diddle, a jug and a fiddle,
The K. A.'s have got 'em a tune.
It's "Drink, Chug-a-lug." But only a mug
Would drink with a K. A. buffoon.

Chorus
Eustis and Bass and Farnsworth and Tooke and Poitevent, Culpepper, Young and Van Hook
Are almost as sorry as Lockett and Wharton
And Dickson and Stauss and that guy Manley Horton.

COMFORTABLE CONVENIENT

A. T. O. is out to build
A finer, cleaner—Dramatic Guild.
One of their lodge is an out and out zaney
We remain non-committal on Marshall and Many.
And you've never seen names like they have in this troupe—
There's a Lentjes, a Woolfork, two Schultz and one Schupp.

Chorus

A violet by a mossy stone
Half hidden from the eye!
Turk, the Guild, the Relations Club,
A. T. O. and the "Y," tra-la, A. T.O. and the "Y."

Theese guys they a couple dam fine fella;
It ees not the truth that they dreenk citronella.
It ees not the truth that they sing like coyote.
It ees not the truth that they pledged Don Quixote.
It ees not the truth that they eat avocado.
Nor ees ect the truth that they harbored Macado:
But it ees the fact that they harbor Torrado,
And Armstrong and Oms and one beeg Alvarado.
When you know them you find that they are dam good friend—
Theese 'Rican, theese Cuban, theese "spick" gentlemen.

Phi Delta Thetas never lie,
They don't drink gin, they don't drink rye.
And past their house a road runs by
To many towered Camelot.

And up and down the people go
Gazing where the lilies blow—
Fresh as daisies, pure as snow—
Purer than that mystic moll
The Lady of Shalott.

Pardon us, did we say Phi?
Did we say gin? Did we say rye?
Correction, please! That can't get by;
We've seen the whole damn crew get high.
Correction, please! Another lie!

There are some like Jones, who don't drink rye,
And some like Finch, who wouldn't lie—
But there are others we won't harass,
Wrong, or libel, or embarrass,
Like Livandais and Wooze and Harris.

A rose to the memory of Sigma Nu;
Once it held a darn fine crew.
Now, alas, it's in the mould,
Lord, have mercy on its soul.

Chorus
It grew sick on Wilson, and died of a spasm
Caused by a siege of chronic Miazzam.

Pi Kappa Phi is completely devoid
Of any one better than "Scalawag" Boyd.
And Lamby's no reason to set up a howl—
Neither is Janssen and Seward and Powell.

Cheerleader Hubbard went to the cupboard
To get Redneck Hardy a bone.
When he got there, the cupboard was bare
And Adams was on the way home!

Refrain

Oh! Mary—Call the cattle home
Across the sands of Dee.
And, Mary, lock the cattle up,
Here comes an S. A. E.

The Sigma Chi's are east of Suez,
For their best are as their worst.
But they have a darn good song
Accompanied by a darn good thirst.

Chorus

Ooooo-oh! You've never seen hey-hey, till
Marsh and Shilstone play.
When the dawn comes up like thunder they
Continue through the day.
Etc., Etc.

Delta Tau Delta, like one or two others,
Has a beneficent bevy of mothers
Whose first-born obligingly have little brothers.

Chorus

Cases are ample; we'll cite an example:
Gleason and Phelps are an excellent sample.
But next year no more little brothers are coming—
The Deltas are faced with a season of slumming.

The Betas say grace at lunch and at dinner;
Their only disgrace is a sophomore sinner.
They're honest and truthful; but here lies the rub:
Their outfit is run like a Rotary Club.

"A Beta," they say, "is a Leader and Booster
(Guys that pronounce the word 'ouster' as 'ooster')
And 'being elected' is one of our habits;
And Beta is just one big family"—of Babbits.

Chorus

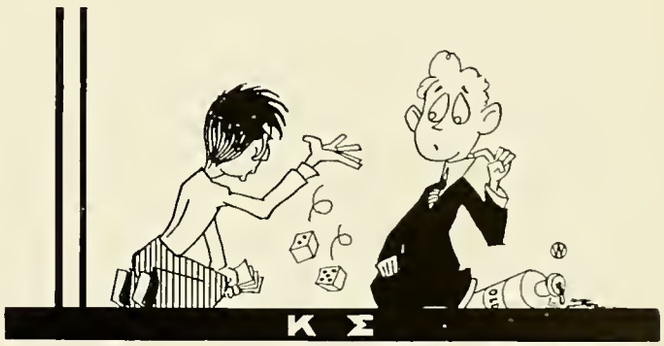

Byrd is a big shot, but Boggs runs the works;
Like the rest of the Betas, they're typical Turks.

With Putzell as prexy and Bisso a member
These lads are hot as an anthracite ember.
But that isn't saying they got any class:
The Delta Sigs get what the other frats pass.

Taking a dig at Kappa Sig
Is saying that bacon is made out of pig.
There's Habans and Spencer and Johnson and Turpin
(Pardon us, lady. We can't stop the burpin').

Chorus

We're giving advice and admit that it's funny,
But never shoot dice with these babies for money.

Sigma Phi Epsilon is so sensitive we aren't even going to be nasty. Their nickname is Sig Ep, if you please, and not S. P. E., or Sigma Phi. Never! oh, never confuse them with Sigma Pi Epsilon. Now, if we wanted to indulge in personalities, there are "Chase 'em around the track" Lottinger, and "Dainty" Texada and "Sprawling" Sproles, and "Plug" Brewer; but let that drop; for, besides disliking unpleasant subjects, we have nothing against the S. P. E.s. And why should we? Lord know's they've never hurt anybody. (If you get what we mean.)

Just so long as Sigma Phi Delta stays back there by the engineering building; just so long as they don't give any parties or overdo that surveying stuff; just so long as they don't take in too many like Edgar Haas or Dan Mabel, we ain't gonna bother them.

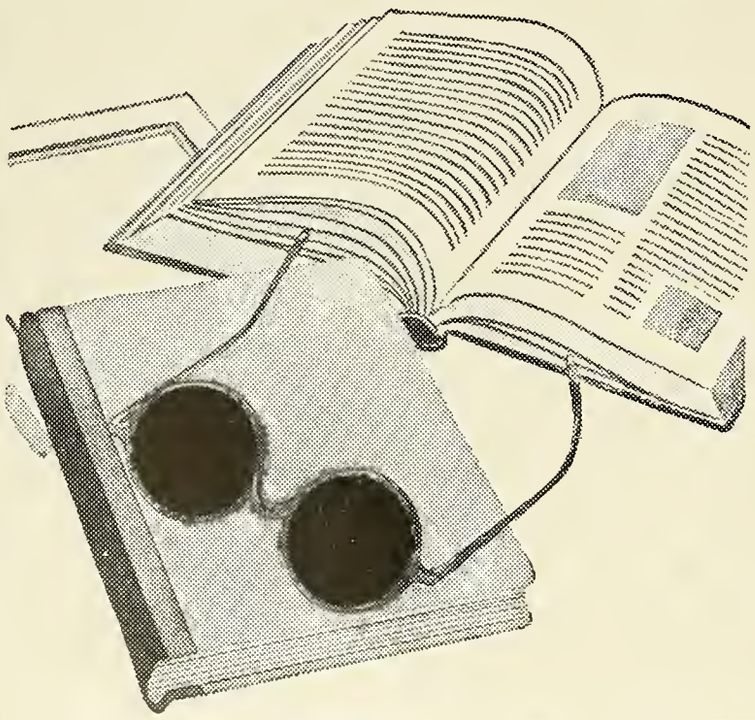

Baldwin and Bartlett and Billet and Jahncke,
And, please, Mr. King, may we borry your hanky?
Devlin's a D.D. and Thames is a terror.
Ferguson's name is excluded by error.
Of all of the flowers to take to their fancy,
Their shrubbery official is—gracious!—a pansy.

Refrain

One for you and one for me—
Ther're forty-four pansies in D. K. E.

WHY TRY TO STUDY INDOORS WITH SMOKED GLASSES? . . .

You wouldn't tie your feet together if you wanted to play football! Then why study in *Half-Light*—as if you were reading through smoked glasses?

Reading or writing in poor light causes eyestrain, which affects your entire nervous system and results in damaged eyesight.

The *New Study and Reading Lamp* is ideal for the study table. It eliminates glare and harsh contrasts and actually *Protects Eyes*. Get one today and enjoy it for nights to come.

Only $5.95.

MOLLOY-MADE COVER QUALITY

is stilll serving the best books in the land—just as it did in the pioneer days of the modern yearbook. The cover on this volume is a physical expression of that fine quality and workmanship which the Molloy trade-mark has always symbolized.
